

# Nope.

Pretty much no chance you're gonna get the pink pig with the sweet *'movember'* out of your mind for a while, so you might as well read on to learn about putting *'MO'* money into your piggy bank!!

*SR&ED is all about innovation! It allows companies like yours to recover dollars spent on R&D, proto-typing, failed projects, technological advancement, and process improvement.*

*Advance-Tek is the right partner to ensure that you are recovering all that you qualify for. We're good at what we do, and with less than a 1% CRA review rate, we prove it again and again, sometimes tripling inhouse claim amounts.*

*Reach out and partner with Advance-Tek to get you 'mo' money!*
